TOOWOOMBA FARMERS MARKETS

Highlights of this Saturday morning market include direct from the farm produce, freshly made sourdough bread and pasta, gourmet meats and much more. Local makers, bakers and producers bring the farm to plate experience into the heart of Toowoomba each week. Right opposite Queens Park, under the windmills near Cobb+Co Museum, it's the perfect location to enjoy fresh coffee and pastries too.

THE PADDOCK

More than a local butcher, The Paddock has developed great relationships with local growers to offer other local, in-season produce in their store – everything from fruit and veg to artisan chocolate to sourdough loaves. They also have a range of pre-prepared meals, ready to heat and serve. It's like a farmers market that's open every day!
