AND BEYOND

We've done the hard work for you and found some of the best breweries in the region. From craft beers and ciders to family friendly soft drinks, you can go behind-the-scenes and experience how your favourite drop is brewed.

CROWS NEST SOFT DRINKS

The Crows Nest Soft Drinks factory has been making cordials and soft drinks for over 100 years. If you love an old-fashioned sarsaparilla or lemonade, you can purchase ready-to-drink bottles or a cordial to mix your own concoctions at home. The cordials can also be used to make milkshakes or to pour over ice-cream (or to make into un-kid-friendly cocktails!).

Pechey's signature gin combines traditional and native botanicals with heirloom citrus from the property. You can visit the distillery yourself and do a cellar door tasting - be sure to check their website or social media ahead of your trip, as it's a working farm and homestead and their opening hours vary. Make sure you factor Pechey Distilling into any drive north of Toowoomba, as the High Country is truly spectacular.
